

GALICIA PROCLAIMED RUSSIAN PROVINCE BY CZAR

ALLIES ARE REPORTED VICTORIOUS

Defeat Army Under Crown Prince.

FATE OF FREDERICK WILLIAM UNKNOWN

German Imperial Guard Is Completely Annihilated.

London, Sept. 8.—A Boulogne dispatch to the Evening News says a telegram has been received from General Pau announcing a victory by the allied forces at Precy-sur-Oise. The imperial guard under Crown Prince Frederick William is reported to have been annihilated by the British force which opposed them. The Evening News dispatch says:

"A telegram has been received from General Pau announcing a victory by the allied forces under Field Marshal Sir John French, commanding the British, and General D'Amade at Precy-sur-Oise, about twenty-five miles north of Paris.

"The allies were drawn across the northern line with the center at Precy. The English troops were on the left and the French on the right. The former had in front of them the imperial guard under Crown Prince Frederick William.

"On both wings, it is reported, the allies were successful. The German left was held by the French and retired to the north.

"The imperial guard, who were ordered to surrender, were annihilated by the British. It is reported that the crown prince was in their midst."

The British official bureau has received no confirmation of this message.

TERRIFIC BATTLE IS RAGING

Allied Forces Are Said to Have Outflanked Germans.

London, Sept. 8.—An official statement given out in Paris said that a general action had started on the line from Nanteuil-le-Hardouin to Verdun, a distance of 120 miles. It was said then that, thanks to the vigorous action of the French troops supported by the British, the Germans had "started retreating." Unofficial advices from Berlin also have indicated that a battle of tremendous importance was being fought in the territory described.

The news contained in the French official communication that the Germans had fallen back before the vigorous advance by the allied troops on the line from Nanteuil-le-Hardouin to Verdun indicates that the Anglo-French forces have got on the flank of the German right wing, which passed by Paris on the north and was marching eastward to join with the crown prince's army coming south.

It has been suggested by military experts that General von Kluck's movement to the southeast was taken as a matter of precaution before the movement by the allies from the coast. It is possible this new army has reached Nanteuil-le-Hardouin, thus getting on von Kluck's flank.

BELGIAN LOSSES ARE FEW

Volunteers Reorganize and Are Better Equipped.

London, Sept. 8.—A dispatch to the Evening Star from Ostend says:

"The different units of the Belgian army have been collected from all over the country, even from Namur and south of the German line. The volunteers have been reorganized, better officered and better armed."

"The total losses of the army have not been published, but except at Liege these were not large in comparison with the losses of the German, French and British armies in France. The total force of the Belgians, taking into consideration the toughening which the men had during the last month, is now possibly of more active service than it was at the beginning of the war."

TOADSTOOLS FATAL TO TWO

Others Said to Be Dying at Lafayette, Ind.

Lafayette, Ind., Sept. 8.—As the result of mistaking toadstools for mushrooms, J. May, a wealthy brick manufacturer, and William Ogden are dead and Michael May and George Pandy are said to be dying here.

SIR JOHN FRENCH.

British Commander Said to Have Beaten Germans.

TAKEN IN BRITISH PORT

Hongkong Authorities Arrest Germans on American Ship.

San Francisco, Sept. 8.—Great Britain acted wholly within her rights, as defined by the state department, when she detained forty German reservists taken at Hongkong from the American steamship Manchuria of the Pacific Mail fleet.

This was made clear in the detailed report brought to shore by officers and passengers of the Pacific Mail liner China, which arrived here from Hongkong, Yokohama and Honolulu. The Manchuria was boarded by the port authorities within the three-mile limit. Previous dispatches from Honolulu had not made clear whether she had been searched on the high seas or within the treaty limits of a British port.

SAYS GERMANS HAVE SET FIRE TO DINANT

Ostend Dispatch Reports Burning of Belgian Town.

London, Sept. 8.—An Ostend dispatch to the Reuter Telegram company says:

"The Germans have destroyed the Belgian town of Dinant (fifteen miles south of Namur) after shooting hundreds of male inhabitants, because, it was alleged, shots had been fired from the heights overlooking the city."

"The Germans, in a few hours by shell and fire and incendiary, destroyed Dinant on the Meuse. Hundreds of male inhabitants were shot, including one party of 100 prominent citizens who were executed together in the Place d'Armes."

"The Germans alleged that the civilians had fired shots into Dinant from the heights. While the shooting and burning were going on the women residents of the city were confined in the convents."

"There is no evidence, so far as is known, that the alleged shooting from the heights resulted in the killing of any Germans."

GERMANS DEFEAT BELGIAN VOLUNTEERS.

London, Sept. 8.—A Reuter Telegram company dispatch from Ostend says:

"Violent fighting, lasting five hours, has taken place between Melle and Quatrecht, near Ghent, between Belgian volunteers and a superior corps of Germans. After determined resistance the Belgians retired in good order."

"The Germans occupied Melle and are marching on Ghent."

Would Verify Victories.

Geneva, via Paris, Sept. 8.—Austria having denied the announced Serbian successes Nikola Pachitch, the foreign minister, telegraphed the Serbian consul at Geneva inviting two members of the British press to come to Serbia at Serbia's expense to verify the victories.

MRS. RICHARD CROKER DEAD

Wife of Former Tammany Leader Succumbs in Austria.

London, Sept. 8.—Word was received from Dublin of the death in Austria Saturday of Mrs. Richard Croker, wife of the former leader of Tammany hall.

Special to Dispatch:

St. Petersburg, September 8, (11:32 A. M.)—Galicia is now a Russian province, an official proclamation being issued today and signed by Czar Nicholas making this announcement and emphasizing the extent of the Russian victory over Austria.

ALLIED ARMY IS ON THE OFFENSIVE

Special to Dispatch:

Paris, Sept. 8, (11:32 A. M.)—The Allied army is on the offensive on the west and in long battle line today. Heavily reinforced by reserves rushed from the south, the Allied army under General D'Amade, is co-operating with a strong British force and making a fierce effort to turn the German right flank. The Germans are outnumbered, but reinforcements are rushing to the rescue.

ALLIES CAPTURE GERMAN BATTALION

Special to The Dispatch:

Paris, Sept. 8, (3 P. M.)—French and English troops are engaged in a battle now progressing to the east capital and have taken numerous prisoners, including a battalion of German infantry and company serving rapid fire guns. They captured also many gun carriages.

CLAIM GERMANS ARE LOSING GROUND

Special to The Dispatch:

Paris, Sept. 8, (3 P. M.)—Violent encounters have occurred on the French center between Fere-Champenoise and Vitry-le-Francois at the southern point of the Forest of Argonne. The French have fallen back nowhere, but the Germans have lost ground.

TO ANNIHILATE THE AUSTRIANS

Special to The Dispatch:

London, Sept. 8, (1:15 P. M.)—A dispatch from Rome to the Exchange Telegraph company says: "Telegram from Vienna states General Rusky, who following the capture of Lemberg executed a flank attack northward against the Austrians under General Auffenberg, Austrian war minister, today engaged in a desperate attempt to annihilate Auffenberg's army. The battle has already continued three days and is likely to continue several more."

CHANGE PLAN OF ATTACK

German Forces Alter Their Position Before Paris.

London, Sept. 8.—The correspondent of the Daily Telegraph at Pontoise, in the department of Seine-et-Oise and nineteen miles northwest of Paris, commenting upon the change of the German plans, says:

"The Germans approached so close to Paris on Saturday that the English and German cavalry had a skirmish at Nogent-sur-Seine, about forty miles southeast of Paris, and the Germans had reached Trope, southeast of Nogent, but owing to the large additions to the allies' fighting strength, in the opinion of military men, the Germans changed their scheme of attack."

"Just at the moment when a vigorous attempt to pierce the Paris fortifications on the north was expected the enemy suddenly swung round to the east, fearful lest a repulse on the north might jeopardize the safety of the troops thrown forward on his right."

WINNER OF VICTORIA CROSS IS MISSING.

London, Sept. 8.—Colonel W. E. Gordon of the Gordon Highlanders, who won the Victoria cross in the South African war, is among the officers who are reported missing in France.

Colonel Gordon gained the Victoria cross by going out under heavy fire and attaching a rope to a gun which was in danger of being captured. With his men he was wounded in trying to drag it to safety.

Rushing Aid to Austria.

Rotterdam, Sept. 7, via London.—There is no doubt that heavy German forces are rushing to aid Austria. A Wolf bureau dispatch from Constantinople says Germany has decided to release all Algerian and Mohammedan troops captured and send them to Constantinople.

BRITISH TRADE SHOWS DECLINE

Imports and Exports for August Fall Off.

FEWER PEOPLE SEEKING WORK

Effect of War on Trade Compared With August a Year Ago Is Seen by a Decrease in Imports of Over Sixty-five Million Dollars and in Exports of Nearly a Hundred Million.

London, Sept. 8.—The effect of the war on British trade is seen in the board of trade returns for August. Imports compared with the corresponding month last year show a decrease of upwards of \$65,000,000, while exports have fallen off nearly \$100,000,000. The imports of sugar have dropped more than \$7,500,000, of which the loss of \$4,000,000 falls on Germany alone. Manufactured articles show a decrease of \$42,500,000 in imports.

In exports coal is down \$10,000,000 and manufactured articles \$75,000,000. Of the latter \$12,500,000 was lost on ships and war munitions and \$30,000,000 on cotton and woolen fabrics.

A return issued by the board of trade shows that growth of unemployment virtually has stopped. In the trades where insurance against unemployment is enforced the percentage is 6.24—almost exactly the same as last week, and compared with 3.34 last year.

The number of persons seeking employment at labor bureaus actually has fallen off, but still is about double what it was a year ago.

Recruiting, which is proceeding at an amazing rate, accounts somewhat for this, particularly in the North and mining districts. Recruits are applying in such numbers that at some places it has been decided to close the recruiting offices for a week.

Prices of food show little change and this is due more to increased freight and insurance rates than to a shortage of supplies. Meat and fish are arriving almost in normal quantities.

PARIS POPULATION DWINDLES 1,400,000.

Paris, Sept. 8.—The population of Paris and suburbs before the war was 3,400,000. According to semi-official figures it is 2,010,000 today, owing to the mobilization of the army and the departure of the fugitives. The minister of public works is aiding the people to leave and is providing free transportation in many cases.

RECALLS EARLIER CONFLICT

Armies Meeting on Scene of Battle of Forty-four Years Ago.

Washington, Sept. 8.—Officials here displayed much interest in the reports of the general engagement in France along an extended battle front. The feeling was general that a decisive battle was in progress, but official dispatches to the American government contained no news of the hostilities.

Military observers noted that Meaux, the place east of Paris where the general engagement began, is the same place where the German headquarters were established on Sept. 16, 1870, and the orders issued for the investment of Paris. These orders directed the German army of the Meuse to invest the capital in a wide half circle from the Marne above Paris, to the Seine, below it, while the third army was ordered to form a similar half circle on the left banks of both rivers.

MAY OPEN WAY TO BERLIN

Important Movement Begun by the Russians.

London, Sept. 8.—The correspondent of the Times at Petrograd, referring to a battle just begun, which, if successful as the Russian operations against Lemberg, will overthrow the Austrian forces and practically open the road to Berlin, says:

"Reliable information as to the progress of the battle enables me to state that the outlook is no whit less promising, but that several days may elapse before the final overthrow of the Austrian army."

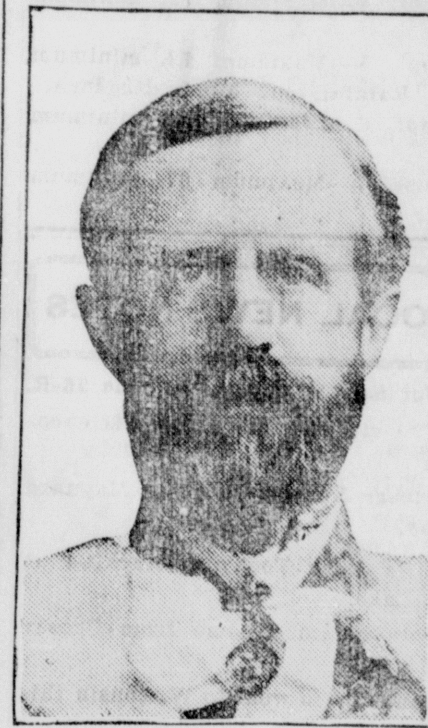

TWO DIE WHEN AUTO FALLS

Are Killed in Plunge Over Thirty-five Foot Embankment.

West Newton, Pa., Sept. 8.—William Shulky, forty years old, and William Shaw, sixty years old, both of West Newton, were killed when the automobile in which they were riding skidded and went over a thirty-five foot embankment along the Youghiogheny river near here.

LORD ABERDEEN.

Signs Protest Against Destruction of Louvain.

SCORE BURNING OF LOUVAIN

Eminent British Scholars Hope Allies Will Not Retaliate.

London, Sept. 8.—A protest against the destruction of the Belgian city of Louvain by German troops, and an appeal to the allies to refrain from retaliation, has been signed by a number of well known British scholars, including Lord Aberdeen, rector of the University of St. Andrews; Professor MacAfee of Trinity college, Dublin, a doctor of Philosophy of Louvain university; Swift MacNeill, M. P.; Count Plunkett of the national museum at Dublin; Charles Fitzgerald, president of the Royal Society of Surgeons, and Walter Smith, president of the Royal Academy of Medicine.

They refer to the destruction of Louvain as "a violence against defenseless noncombatants unparalleled in European history since the Thirty Years' war and an injury to learning, science and education; to history and art, and to religion and citizenship, which no military exigencies or expediencies can extenuate, much less justify."

TURK AMBASSADOR ISSUES STATEMENT

Says England Is Trying to Trap United States.

Washington, Sept. 8.—Charging that the intimation by Great Britain to the United States that she would welcome the presence of American war vessels in Turkish waters to protect Christians was merely a "vulgar trap" to get the United States "mixed in the European fray on the allies' side," Colonel A. Rustem Bey, Turkish ambassador, issued the following statement:

"According to the papers Great Britain, following in the footsteps of France, has agitated before the eyes of the United States the specter of a massacre of Christians in Turkey and has made this gruesome picture of the immediate future, drawn with absolute disregard to truth, a pretext for requesting the United States to dispatch warships to Turkish ports."

"That there have been massacres, unfortunately I cannot deny, but the Armenians and Maronites, who were the victims, suffered at the hands of the Moslems, not as Christians, but as political agitators engaged in undermining the Ottoman state, the while flaunting in the face of the government and dominant race the support of Russia, France and England."

STRAINS FRENCH RESOURCES

War Is Taxing Republic to Its Utmost Capacity.

New York, Sept. 8.—That the resources of France are being taxed to the utmost in the carrying out of troop movements and the handling of wounded from the battlefields was the report brought by American passengers arriving on the French line steamship Rochambeau, which docked here from Havre. The liner brought to New York 315 persons.

Wounded soldiers were arriving in Havre on all trains. Every form of conveyance was commandeered to transport these men to hospitals. Several of the passengers said before the Rochambeau left Havre there arrived in the city about 1,000 Belgian soldiers, remnants of a regiment that escaped from the forts of Namur. They had with them their rifles, but every round of ammunition had been used before they retreated.

British Naval Casualty List.

London, Sept. 8.—The casualty list for the cruiser Pathfinder, which was sunk in striking a mine in the North sea, as officially given out, shows that four men were killed and thirteen wounded and that 242 are missing.

Paris Announces Victory.

Paris, Sept. 8.—It was announced officially that the Germans are retreating from the line of Nanteuil-le-Hardouin to Verdun after a vigorous action with French and British troops.

WILSON CALLS HALT ON STRIKE

Demands Settlement of Dispute in Colorado.

FORWARDS SEVERAL LETTERS

President Sends Communications to Heads of Mining Companies and to Officers of the United Mine Workers of America Calling Attention to the Fact That Federal Troops Are Still in Zone of Trouble.

Washington, Sept. 8.—President Wilson has addressed letters to the miners and operators concerned in the Colorado strike virtually demanding that the long strike be ended.

He addressed his letters to the heads of the mining companies and to officers of the United Mine Workers of America.

Two mediators sent to Colorado months ago have heard proposals and counter proposals but no solution.

Because federal troops are on duty in the strike district the president feels that the government has a peculiar position.

The president urged that both sides adopt a tentative basis for the adjustment of the strike which has been proposed by the federal mediators. A draft of the proposal was laid before the president by the secretary of labor and has been approved by the administration. It provides that a three-year truce be established, subject to a list of conditions, including the enforcement of the mining and labor laws of the state. As soon as the truce is declared the federal troops would be withdrawn.

The agreement also provides for the withdrawal of mine guards and the stopping of picketing, parading and colonizing.

Failing in adjustment of grievances of miners the tentative agreement provides that a commission of three be appointed by the president of the United States to work out a solution.

KILLS BRIDE AND HIMSELF

Former Minnesotan Shoots Fifty-five Year-Old Helpmate.

Pasadena, Cal., Sept. 8.—After shooting his bride of three months through the back of the head as she stood before a mirror combing her hair Joseph Morrow, a Civil war veteran, seventy-three years old, formerly a wealthy farmer at Leroy, Minn., calmly turned the weapon on himself, inflicting a slight wound. With utmost unconcern he arose, ejected the discharged shells from the revolver, reloaded it and, kneeling beside the corpse, sent a bullet crashing through his brain.

His unconscious form fell across the body of his bride, where it was found by police officers after they had been summoned by neighbors who heard the shots.

It was only three months ago that Morrow married Miss Frances McDonough, a nurse, who attended his former wife. She was fifty-five years old. It was his fourth matrimonial venture.

RUNS AMUCK WITH PISTOL

Minneapolis Man Kills Wife and Injures Others and Himself.

Minneapolis, Sept. 8.—Jealous of his wife's son by a former marriage Jacob Maruskevsky murdered her, wounded the lad, fatally shot Mrs. Mary Oleinik and fired two shots into his own head at the Oleinik home.

The dead woman is Mrs. Rose Maruskevsky. Her son is John Lepton, sixteen years old, who came from Lake Bluff, Ill., recently to live with his mother after she had separated from her second husband.

Mrs. Maruskevsky was in hiding from her husband at the home of Efram Oleinik, an old friend. Maruskevsky learned her whereabouts and followed her there. He is said to have threatened her because she insisted on having her son with her.

Maruskevsky appeared at the Oleinik home and pleaded with his wife to return home with him. She refused.

GRAIN DUST HOLDS PERIL

Dangerous as Gas in Coal Mines, Say Federal Experts.

Washington, Sept. 8.—The danger from explosion is as great in flour mills and grain elevators as it is in coal mines, according to an announcement made by the bureau of mines.

Experts of the bureau have recently completed an investigation of the subject and declare that the same precautions against explosions in coal mines should be used in grain products factories.

Paris Announces Victory.

Paris, Sept. 8.—It was announced officially that the Germans are retreating from the line of Nanteuil-le-Hardouin to Verdun after a vigorous action with French and British troops.

Washington, Sept. 8.—Charging that the intimation by Great Britain to the United States that she would welcome the presence of American war vessels in Turkish waters to protect Christians was merely a "vulgar trap" to get the United States "mixed in the European fray on the allies' side," Colonel A. Rustem Bey, Turkish ambassador, issued the following statement:

"According to the papers Great Britain, following in the footsteps of France, has agitated before the eyes of the United States the specter of a massacre of Christians in Turkey and has made this gruesome picture of the immediate future, drawn with absolute disregard to truth, a pretext for requesting the United States to dispatch warships to Turkish ports.

"That there have been massacres, unfortunately I cannot deny, but the Armenians and Maronites, who were the victims, suffered at the hands of the Moslems, not as Christians, but as political agitators engaged in undermining the Ottoman state, the while flaunting in the face of the government and dominant race the support of Russia, France and England."

STRAINS FRENCH RESOURCES

War Is Taxing Republic to Its Utmost Capacity.

New York, Sept. 8.—That the resources of France are being taxed to the utmost in the carrying out of troop movements and the handling of wounded from the battlefields was the report brought by American passengers arriving on the French line steamship Rochambeau, which docked here from Havre. The liner brought to New York 816 persons.

Wounded soldiers were arriving in Havre on all trains. Every form of conveyance was commandeered to transport these men to hospitals. Several of the passengers said before the Rochambeau left Havre there arrived in the city about 1,000 Belgian soldiers, remnants of a regiment that escaped from the forts of Namur. They had with them their rifles, but every round of ammunition had been used before they retreated.

British Naval Casualty List.

London, Sept. 8.—The casualty list for the cruiser Pathfinder, which was sunk in striking a mine in the North sea, as officially given out, shows that four men were killed and thirteen wounded and that 242 are missing.

WILSON CALLS HALT ON STRIKE

Demands Settlement of Dispute in Colorado.

FORWARDS SEVERAL LETTERS

President Sends Communications to Heads of Mining Companies and to Officers of the United Mine Workers of America Calling Attention to the Fact That Federal Troops Are Still in Zone of Trouble.

Washington, Sept. 8.—President Wilson has addressed letters to the miners and operators concerned in the Colorado strike virtually demanding that the long strike be ended.

He addressed his letters to the heads of the mining companies and to officers of the United Mine Workers of America.

Two mediators sent to Colorado months ago have heard proposals and counter proposals but no solution.

Because federal troops are on duty in the strike district the president feels that the government has a peculiar position.

The president urged that both sides adopt a tentative basis for the adjustment of the strike which has been proposed by the federal mediators. A draft of the proposal was laid before the president by the secretary of labor and has been approved by the administration. It provides that a three-year truce be established, subject to a list of conditions, including the enforcement of the mining and labor laws of the state. As soon as the truce is declared the federal troops would be withdrawn.

The agreement also provides for the withdrawal of mine guards and the stopping of picketing, parading and colonizing.

Falling in adjustment of grievances of miners the tentative agreement provides that a commission of three be appointed by the president of the United States to work out a solution.

KILLS BRIDE AND HIMSELF

Former Minnesotan Shoots Fifty-five Year-Old Helpmate.

Pasadena, Cal., Sept. 8.—After shooting his bride of three months through the back of the head as she stood before a mirror combing her hair Joseph Morrow, a Civil war veteran, seventy-three years old, formerly a wealthy farmer at Leroy, Minn., calmly turned the weapon on himself, inflicting a slight wound. With almost unconcern he arose, ejected the discharged shells from the revolver, reloaded it, and kneeling beside the corpse, sent a bullet crashing through his brain.

His unconscious form fell across the body of his bride, where it was found by police officers after they had been summoned by neighbors who heard the shots.

It was only three months ago that Morrow married Miss Frances McDonough, a nurse, who attended his former wife. She was fifty-five years old. It was his fourth matrimonial venture.

RUNS AMUCK WITH PISTOL

Minneapolis Man Kills Wife and Injures Others and Himself.

Minneapolis, Sept. 8.—Jealous of his wife's son by a former marriage Jacob Maruskevsky murdered her, wounded the lad, fatally shot Mrs. Mary Oleinik and fired two shots into his own head at the Oleinik home.

The dead woman is Mrs. Rosa Maruskevsky. Her son is John Lepton, sixteen years old, who came from Lake Bluff, Ill., recently to live with his mother after she had separated from her second husband.

Mrs. Maruskevsky was in hiding from her husband at the home of Effron Oleinik, an old friend. Maruskevsky learned her whereabouts and followed her there. He is said to have threatened her because she insisted on having her son with her.

Maruskevsky appeared at the Oleinik home and pleaded with his wife to return home with him. She refused.

GRAIN DUST HOLDS PERIL

Dangerous as Gas in Coal Mines, Say Federal Experts.

Washington, Sept. 8.—The danger from explosion is as great in flour mills and grain elevators as it is in coal mines, according to an announcement made by the bureau of mines.

Experts of the bureau have recently completed an investigation of the subject and declare that the same precautions against explosions in coal mines should be used in grain products factories.

INCENDIARISM

IN N. E. BRAINERD

Asserted that Three Barns were Set Afire on Monday Evening, One Destroyed

SMITH BARN AT 219 FOURTH AVE

Hay and Structure Burned, Two Cows Saved—Small Fires at Apgar and Beckley Barns

Incendiarism is said to have been the cause of the destruction of the Smith barn at 219 Fourth Avenue, Northeast, was discovered on fire some time after the two cows had been milked. Boarders at the Smith home saw the blaze in the back yard after nine o'clock and gave the alarm. The fire departments of central hose house and Northeast Brainerd responded. The two cows in the burning structure were saved. The barn was burned to a mere shell and considerable hay was destroyed. There is \$250 insurance on the building. The Smith girls claim to have heard voices in the rear of the lot shortly before the fire started.

At about the time of the Smith blaze small fires were discovered in the A. Apgar barn at 119 Third Avenue and another was reported at the barn of Louis Beckley, 116 2nd Avenue. Both were seen in time and quickly extinguished with nominal loss.

Three barns blazing at the same time is more than a coincidence. It gives ground to the assertions that incendiaries were at work, and it may have been some crazy person who delights to see the Brainerd fire department turn out for a fire. An investigation should be made by the authorities.

BRAINERD WINS HIBBING SERIES

Takes Two of Three Games at Hibbing and Wins State Semi-Professional Championship

FIRST GAME WAS 11 INNINGS

Writups of First Two Games by Victor (Pick) Brannen, of Hibbing Daily Tribune

Winning two out of a series of three games with Hibbing, Brainerd wins the series and grabs the state semi-professional championship. And not content with this, Brainerd has now challenged Darby O'Brien's Dooks, the Northern League Duluth team, and if hostilities can be arranged, a game will be played which will let Duluth know it is playing a real ball team and one which may hand them a pretty defeat.

For the writups of the first two games the Brainerd Dispatch is indebted to the courtesy of Victor (Pick) Brannen, of the Hibbing Daily Tribune. He writes a good story and the Brainerd fans will follow it with absorbing interest.

FIRST GAME

Hibbing, September 5—Brainerd took the first of the series of three games, for the state semi-professional championship, by a score of 6 to 5, in an eleven inning contest at Hibbing today. The trick was turned in the eleventh, with Bush on third and Brown at bat. Brown bunted on the first base line bringing in Bush in one of the prettiest squeeze plays made on the local diamond.

Gourd the classy pitcher from Brainerd pitched a very consistent game getting eleven strikeouts and allowing only eight hits. He pulled himself out of several holes resulting from errors in fielding. Wilson the Northern league twirler allowed eleven hits and struck out six men. Wilson gave Brown his base on balls twice and hit Gavin and Sheffield with a pitched ball. Gourd passed three men and hit two with the ball. His splitter was breaking in good shape and his control was good.

Out of five times at bat Cook connected for two singles and a double. He made a double play alone catching a pop up between first base and pitchers box and buckling on first. Hibbing made five errors and Brainerd made three.

The second game of the series will be played tomorrow and a record breaking crowd is expected. Either Tedisco or Reiger will be on the mound for Hibbing. Hibbing is ambitious and will fight to the finish for the series.

Score by innings of today's game:

Hibbing -----120 000 020 00—5

SECOND GAME

Hibbing, Sept. 6—Brainerd made it two straight from Hibbing by winning Sunday's game 4 to 1. The two teams paraded to the grounds in uniforms, preceded by three bands. Judge Brady, manager of the Hibbing team, selected Cy Reiger and Carroll Booth for his battery. Lefty Needham of St. Paul, and Gaven were on the points for Brainerd. The game in detail follows:

Brown opened up with a single to short but Larson, Benda and Cook flied out to Red Carroll, D. Booth and Tedisco. For Hibbing's half of the first C. Booth started by striking out. Brookins was hit by a pitched ball. D. Booth hit a fast one to Larson, who threw to second but the peg got away from Benda and Brookins legged it to third. D. Booth was nipped at first when he lead off too far. Williams grounded out, Benda to Cook.

Hibbing started the scoring by sending their first and only run across in the second. Red Carroll grounded out, Benda to Cook. Burrows singled to left; took second on a passed ball and scored on Cy Reigers double to deep left. Tedisco struck out. Reiger was caught trying to pilfer third.

Brainerd tied the count in the third. Needham grounded out, Brookins to Carroll. Brown singled to center; took second on a passed ball and scored on Larson's single through the pitchers box. Benda hit into a double play, Reiger to Burrows to Carroll.

Brainerd took the lead in the fourth. Cook first up, doubled to right. Fred hurt his ankle sliding to second and Gourd ran for him. Johnson flied to Dwight Booth. Gavin grounded to short and Nord's wise throw allowed Gourd to slide safe into home. Sheffield flew to Tedisco and Burrows threw out Erickson. Brainerd scored two more in the fifth. Needham skied out to Nord. Brown doubled to left center and took third when Nord juggled Larson's grounder. C. Booth's high throw to second to catch Larson stealing allowed Brown to cross the rubber and Larson to continue to third. Benda hit to Reiger who held Larson on third, but Red Carroll let Cy's throw get away from him and Larson scored. Benda stole second. Nord threw out Cook and Johnson flew to Tedisco.

In Hibbing's half of the fifth, Reiger opened up with a single to center. Tedisco skied to Larson and Nord hoisted to Sheffield. Carroll Booth singled to left. Brookins walked. Wing the bases. Hibbing fans went

wild at this stage of the game. For with Dwight Booth, their heavy hitter up, they were sure of a run or more. With the count three and two Dwight whiffed when he struck at a high ball and the excitement was over.

In Hibbing's half of the sixth, Williams started with a walk but a fast double play, Benda to Larson to Cook ended their chances. Burrows was safe when Benda bobbled his grounder. Reiger hit a hot one at Needham, which he partly stopped. But Brown's quick recovery caught the runner at first.

THIRD GAME
Hibbing won the last game of the series from Brainerd before a small crowd Monday afternoon by the score of 7 to 4.

Tedisco, the Italian, was on the mound for Hibbing with C. Booth behind the bat. Gourd started on the rubber for Brainerd, but was derricked in the sixth after Carroll Booth hit a homer with two on, after one man had been retired. Cook took up the mound duties and held Hibbing to one run and three hits for the remaining two innings. The game was called at the end of the eighth to allow Brainerd to catch their train.

Hibbing scored first by sending two across the rubber in the second. (Continued on Page 4)

THE GREAT DILLARD

A Good Audience Greeted the Great Dillard Sunday Evening—Plays All Week

The Great Dillard and supporting hypnotic company opened their engagement at the Park theatre Sunday evening to a good sized audience.

The young man hypnotised over long distance telephone by Prof. Dillard while the latter was in Mankato and placed in the Myhra music house window for forty hours was carried to the theatre stage and awakened none the worse for his extra long sleep, and later assisted as a subject.

This evening's program features Madame Noyle, a psychic who will demonstrate her wonderful powers followed by hypnotic comedy including a ball game, political campaign and any number of other laugh producing situations concluding the entertainment by placing a young lady under hypnotic influence for a period of twenty-four hours. She can be seen in the window of the Myhra music house.

Comedy reigns supreme and to visit the Park theatre during the engagement of the Great Dillard company is to forget all earthly cares.

Turkish Medicine

Old fashioned Turkish physicians have plenty of remedies for cholera. An agate in the pocket and a hyacinth on the neck are much esteemed, but the bone of a dead child carried in the pocket is nearly as efficacious. Cholera, we learn, is caused by the moon. Therefore, a sufferer should drink decoctions of laurel while Mars or Mercury is in the ascendant, since these planets are unfriendly to the moon. Some people are just as foolish in their choice of beer, and have not tried "Zumalweiss" beer, which taste best of any. J. O. Nelson, Phone 174-J.—Adv't.

Notice to Contractors

The city council, city of Brainerd, Minnesota, will receive sealed bids for the following Sewers until eight (8) o'clock P. M., September 8th, 1914.

A Magic Attraction at the Show Windows

Have You Seen the Comforts that Weigh Less and "Warm" More?

After seeing the display of Maish Comforts in our show windows, most people are not satisfied until they come in and sample their feather-lightness.

"Just like down!" that is what almost everyone exclaims. "Better than down," we say. And physicians heartily endorse our say-so.

There's no more healthful kind of bed comfort than one of pure, sanitary cotton. And the purest cotton comfort we have been able to find is the

Maish Cotton Down Comfort

But that isn't their only point of superiority. Maish Comforts do not bunch and lump. They stay comfortable 'till they're worn out. Made of finely-curling cotton, of exceptional purity and under absolutely sanitary conditions.

They keep light, fluffy and uniform because they're made by a special process which gets the best service out of the best cotton and keeps it in shape.

This kind of comfort costs very little more than the "don't care" kind. So why not have it? Come in and let us show you how light as well as thick Maish Comforts are.

The covers of lovely Maisaline, Maisilk and Maisateen in soft art shades are as fascinating as the wonderful lightness of these desirable comforters.

One Destroyed

SMITH BARN AT 219 FOURTH AVE

Hay and Structure Burned, Two Cows
Saved—Small Fires at Apgar
and Beckley Barns

Incendiarism is said to have been
the cause of three barns within a ra-
dius of a few blocks were on fire at
about the same time in the evening.

The barn of George Smith, 219
Fourth Avenue, Northeast, was dis-
covered on fire some time after the
two cows had been milked. Boarders
at the Smith home saw the blaze in
the back yard after nine o'clock and
gave the alarm. The fire depart-
ments of central hose house and
Northeast Brainerd responded. The
two cows in the burning structure
were saved. The barn was burned to
a mere shell and considerable hay
was destroyed. There is \$250 in-
surance on the building. The
Smith girls claim to have heard
voices in the rear of the lot shortly
before the fire started.

At about the time of the Smith
blaze small fires were discovered in
the A. Apgar barn at 119 Third Ave-
nue and another was reported at the
barn of Louis Beckley, 116 2nd Ave-
nue. Both were seen in time and
quickly extinguished with nominal
loss.

Three barns blazing at the same
time is more than a coincidence. It
gives ground to the assertions that
incendiarism were at work, and it
may have been some crazy person who
delights to see the Brainerd fire de-
partment turn out for a fire. An in-
vestigation should be made by the
authorities.

Hibbing Daily Tribune

Winning two out of a series of
three games with Hibbing, Brainerd
wins the series and grabs the state
semi-professional championship. And
not content with this, Brainerd has
now challenged Darby O'Brien's
Dooks, the Northern League Duluth
team, and if hostilities can be ar-
ranged, a game will be played which
will let Duluth know it is playing a
real ball team and one which may
hand them a pretty defeat.

For the writeups of the first two
games the Brainerd Dispatch is in-
debted to the courtesy of Victor
(Pick) Brannen, of the Hibbing
Daily Tribune. He writes a good
story and the Brainerd fans will fol-
low it with absorbing interest.

FIRST GAME

Hibbing, September 5—Brainerd
took the first of the series of three
games, for the state semi-professional
championship, by a score of 6 to 5,
in an eleven inning contest at Hib-
bing today. The trick was turned in
the eleventh, with Bush on third and
Brown at bat. Brown bunted on the
first base line bringing in Bush in
one of the prettiest squeeze plays
made on the local diamond.

Gourd the classy pitcher from
Brainerd pitched a very consistent
game getting eleven strikeouts and
allowing only eight hits. He pulled
himself out of several holes result-
ing from errors in fielding. Wilson
the Northern league twirler allowed
eleven hits and struck out six men.
Wilson gave Brown his base on balls
twice and hit Gavin and Sheffield with
a pitched ball. Gourd passed three
men and hit two with the ball. His
splitter was breaking in good shape
and his control was good.

Out of five times at bat Cook con-
nected for two singles and a double.
He made a double play alone catching
a pop up between first base and pitch-
ers box and buckling on first. Hib-
bing made five errors and Brainerd
made three.

The second game of the series will
be played tomorrow and a record
breaking crowd is expected. Either
Tedisco or Reiger will be on the
mound for Hibbing. Hibbing is am-
bitious and will fight to the finish for
the series.

SECOND GAME

Hibbing, Sept. 6—Brainerd made
it two straight from Hibbing by win-
ning Sunday's game 4 to 1. The two
teams paraded to the grounds in uni-
forms, preceded by three bands.
Judge Brady, manager of the Hibbing
team, selected Cy Reiger and Carroll
Booth for his battery. Lefty Need-
ham of St. Paul, and Gaven were on
the points for Brainerd. The game
in detail follows:

Brown opened up with a single to
short but Larson, Benda and Cook
fled out to Red Carroll, D. Booth and
Tedisco. For Hibbing's half of the
first, C. Booth started by striking
out. Brookins was hit by a pitched
ball. D. Booth hit a fast one to Lar-
son, who threw to second but the peg
got away from Benda and Brookins
legged it to third. D. Booth was
nipped at first when he lead off too
far. Williams grounded out, Benda
to Cook.

Hibbing started the scoring by
sending their first and only run
across in the second. Red Carroll
grounded out, Benda to Cook. Bur-
rows singled to left; took second on a
passed ball and scored on Cy Reigers
double to deep left. Tedisco struck
out. Reiger was caught trying to
pitter third.

Brainerd tied the count in the
third. Needham grounded out to
Brookins to Carroll. Brown singled
to center; took second on a passed
ball and scored on Larson's single
through the pitchers box. Benda hit
into a double play, Reiger to Bur-
rows to Carroll.

Brainerd took the lead in the
fourth. Cook first up, doubled to
right. Fred hurt his ankle sliding
to second and Gourd ran for him.
Johnson fled to Dwight Booth. Gav-
in grounded to short and Nord's wise
throw allowed Gourd to slide safe
into home. Sheffield flew to Tedisco
and Burrows threw out Erickson.
Brainerd scored two more in the
fifth. Needham skied out to Nord.
Brown doubled to left center and
took third when Nord juggled Lar-
son's grounder, C. Booth's high throw
to second to catch Larson stealing
allowed Brown to cross the rubber
and Larson to continue to third. Benda
hit to Reiger who held Larson on
third, but Red Carroll let Cy's
throw get away from him and Larson
scored. Benda stole second. Nord
threw out Cook and Johnson flew to
Tedisco.

In Hibbing's half of the fifth, Rei-
ger opened up with a single to center.
Tedisco skied to Larson and Nord
hoisted to Sheffield. Carroll Booth
singled to left. Brookins walked
flung the bases. Hibbing fans went

wild at this stage of the game. For
with Dwight Booth, their heavy hit-
ter up, they were sure of a run or
more. With the count three and two
Dwight whiffed when he struck at a
high ball and the excitement was
over.

In Hibbing's half of the sixth,
Williams started with a walk but a
fast double play, Benda to Larson to
Cook ended their chances. Burrows
was safe when Benda bobbled his
grounder. Reiger hit a hot one to
Needham, which he partly stopped.
But Brown's quick recovery caught
the runner at first.

THIRD GAME
Hibbing won the last game of the
series from Brainerd before a small
crowd Monday afternoon by the
score of 7 to 4.

Tedisco, the Italian, was on the
mound for Hibbing with C. Booth
behind the bat. Gourd started on
the rubber for Brainerd, but was
derricked in the sixth after Carroll
Booth hit a homer with two on, after
one man had been retired. Cook took
up the mound duties and held Hib-
bing to one run and three hits for
the remaining two innings. The
game was called at the end of the
eighth to allow Brainerd to catch
their train.

Hibbing scored first by sending
two across the rubber in the second.

THE GREAT DILLARD

A Good Audience Greeted the Great
Dillard Sunday Evening—Plays
All Week

The Great Dillard and supporting
hypnotic company opened their en-
gagement at the Park theatre Sunday
evening to a good sized audience.

The young man hypnotised over
long distance telephone by Prof. Dil-
lard while the latter was in Mankato
and placed in the Myhra music house
window for forty hours was carried
to the theatre stage and awakened
none the worse for his extra long
sleep, and later assisted as a sub-
ject.

This evening's program features
Madame Noyle, a psychic who will
demonstrate her wonderful powers
followed by hypnotic comedy includ-
ing a ball game, political campaign
and any number of other laugh pro-
ducing situations concluding the en-
tertainment by placing a young lady
under hypnotic influence for a period
of twenty-four hours. She can be
seen in the window of the Myhra
music house.

Comedy reigns supreme and to vis-
it the Park theatre during the en-
gagement of the Great Dillard com-
pany is to forget all earthly cares.

Turkish Medicine

Old fashioned Turkish physicians
have plenty of remedies for cholera.
An agate in the pocket and a hyacinth
on the neck are much esteemed, but
the bone of a dead child carried in the
pocket is nearly as efficacious. Chol-
era, we learn, is caused by the moon.
Therefore, a sufferer should drink de-
coctions of laurel while Mars or Mer-
cury is in the ascendant, since these
planets are unfriendly to the moon.
Some people are just as foolish in
their choice of beer, and have not
tried "Zumalweiss" beer, which taste
best of any. J. O. Nelson, Phone

"A Magic Attraction at the Show Windows"

Have You Seen the Comforts that
Weigh Less and "Warm" More?

After seeing the display of *Maish Comforts* in our show
windows, most people are not satisfied until they come in
and sample their feather-lightness.

"Just like down!" that is what almost everyone exclaims.
"Better than down," we say. And physicians heartily
endorse our say-so.

There's no more healthful kind of bed comfort than
one of pure, sanitary cotton. And the purest cotton
comfort we have been able to find is the

Maish Cotton Down Comfort

But that isn't their only point of superiority. *Maish Comforts*
do not bunch and lump. They stay comfortable 'till they're
worn out. Made of finely-curved cotton, of exceptional purity and
under absolutely sanitary conditions.

They keep light, fluffy and uniform because they're made by a
special process which gets the best service out of the best cotton
and keeps it in shape.

This kind of comfort costs very little more than the "don't
care" kind. So why not have it?
Come in and let us show you how light as well as thick *Maish
Comforts* are.

The covers of lovely Malsaline, Malsilk and Maisateen in soft
art shades are as fascinating as the wonderful lightness of these
desirable comforters.

YOU can save from a third to a half of the money you spend for toilet soap, yet keep your skin in the best possible condition.

The answer is Ivory Soap.

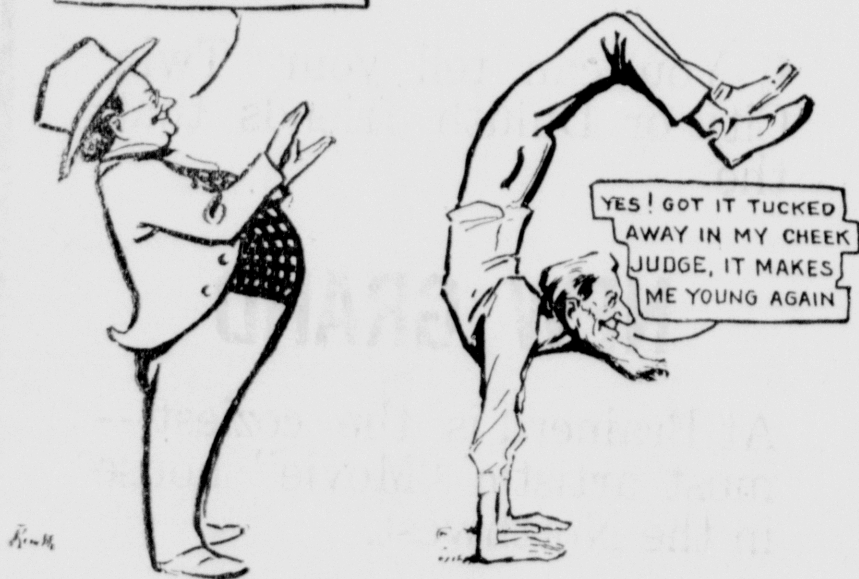

Ivory Soap costs 5 cents for a six-ounce cake. So-called "toilet" soaps cost from 8 cents to 25 cents a cake, and weigh from three to five ounces.

Ivory Soap is as mild and pure as soap can be. It keeps the skin refreshingly clean. It rinses easily, leaving no gloss. It makes the bath and toilet a real pleasure.

Ivory is the pleasantest and safest soap for the bath and toilet even though it does sell for only 5 cents a cake.

THE OLD ACROBAT IS HAPPY OVER THE REAL TOBACCO CHEW

HE used to switch tobacco every few weeks. Then a friend gave him a small chew of "Right-Cut." Steady user now. Says it's the Real Tobacco Chew.

Quite the regular thing with "Right-Cut" users. A man is glad he found it—and just naturally passes the good word along.

Pure, sappy, full-bodied tobacco—seasoned and sweetened just enough.

Take a very small chew—less than one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away. Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is the Real Tobacco Chew. That's why it costs less in the end.

It is a ready chew, cut fine and short so that you won't have to grind on it with your teeth. Grinding on ordinary candied tobacco makes you spit too much.

One small chew takes the place of two big chews of the old kind.

Wilson opened with a single to right, but was forced at second when C. Booth hit to Benda. C. Booth then stole second and scored ahead of Cy Reiger who hit a home run over the left field wall. Tedisco and Nord struck out.

Brainerd took the lead by scoring three in the third. Bush was safe on Burrow's boot and so was Erickson. Both advanced on a passed ball. Gourd popped to Nord. Brown walked, filling the bases. Larson's sacrifice fly to deep center scored Bush and sent Erickson, to third. Brown stole second. Benda doubled to left, scoring Erickson and Brown. Cook's double to Dwight Booth.

Hibbing tied the count in the fourth. Brookins singled to Brown. C. Booth singled to right and took third when the ball went through Bush and scored on a passed ball.

Hibbing took the lead by scoring three in the sixth. Burrows was safe on Larson's error. Brookins singled to center. C. Booth hit a homer to deep left center, scoring Burrows and Brookins ahead of him. Brainerd scored their last run in the sixth on Cook's double and Sheffield's single.

Hibbing scored one more in the seventh on D. Booth's scratch double on the left field foul line and singles by Red Carroll and Brookins. The score:

BUSINESS SECURITY.

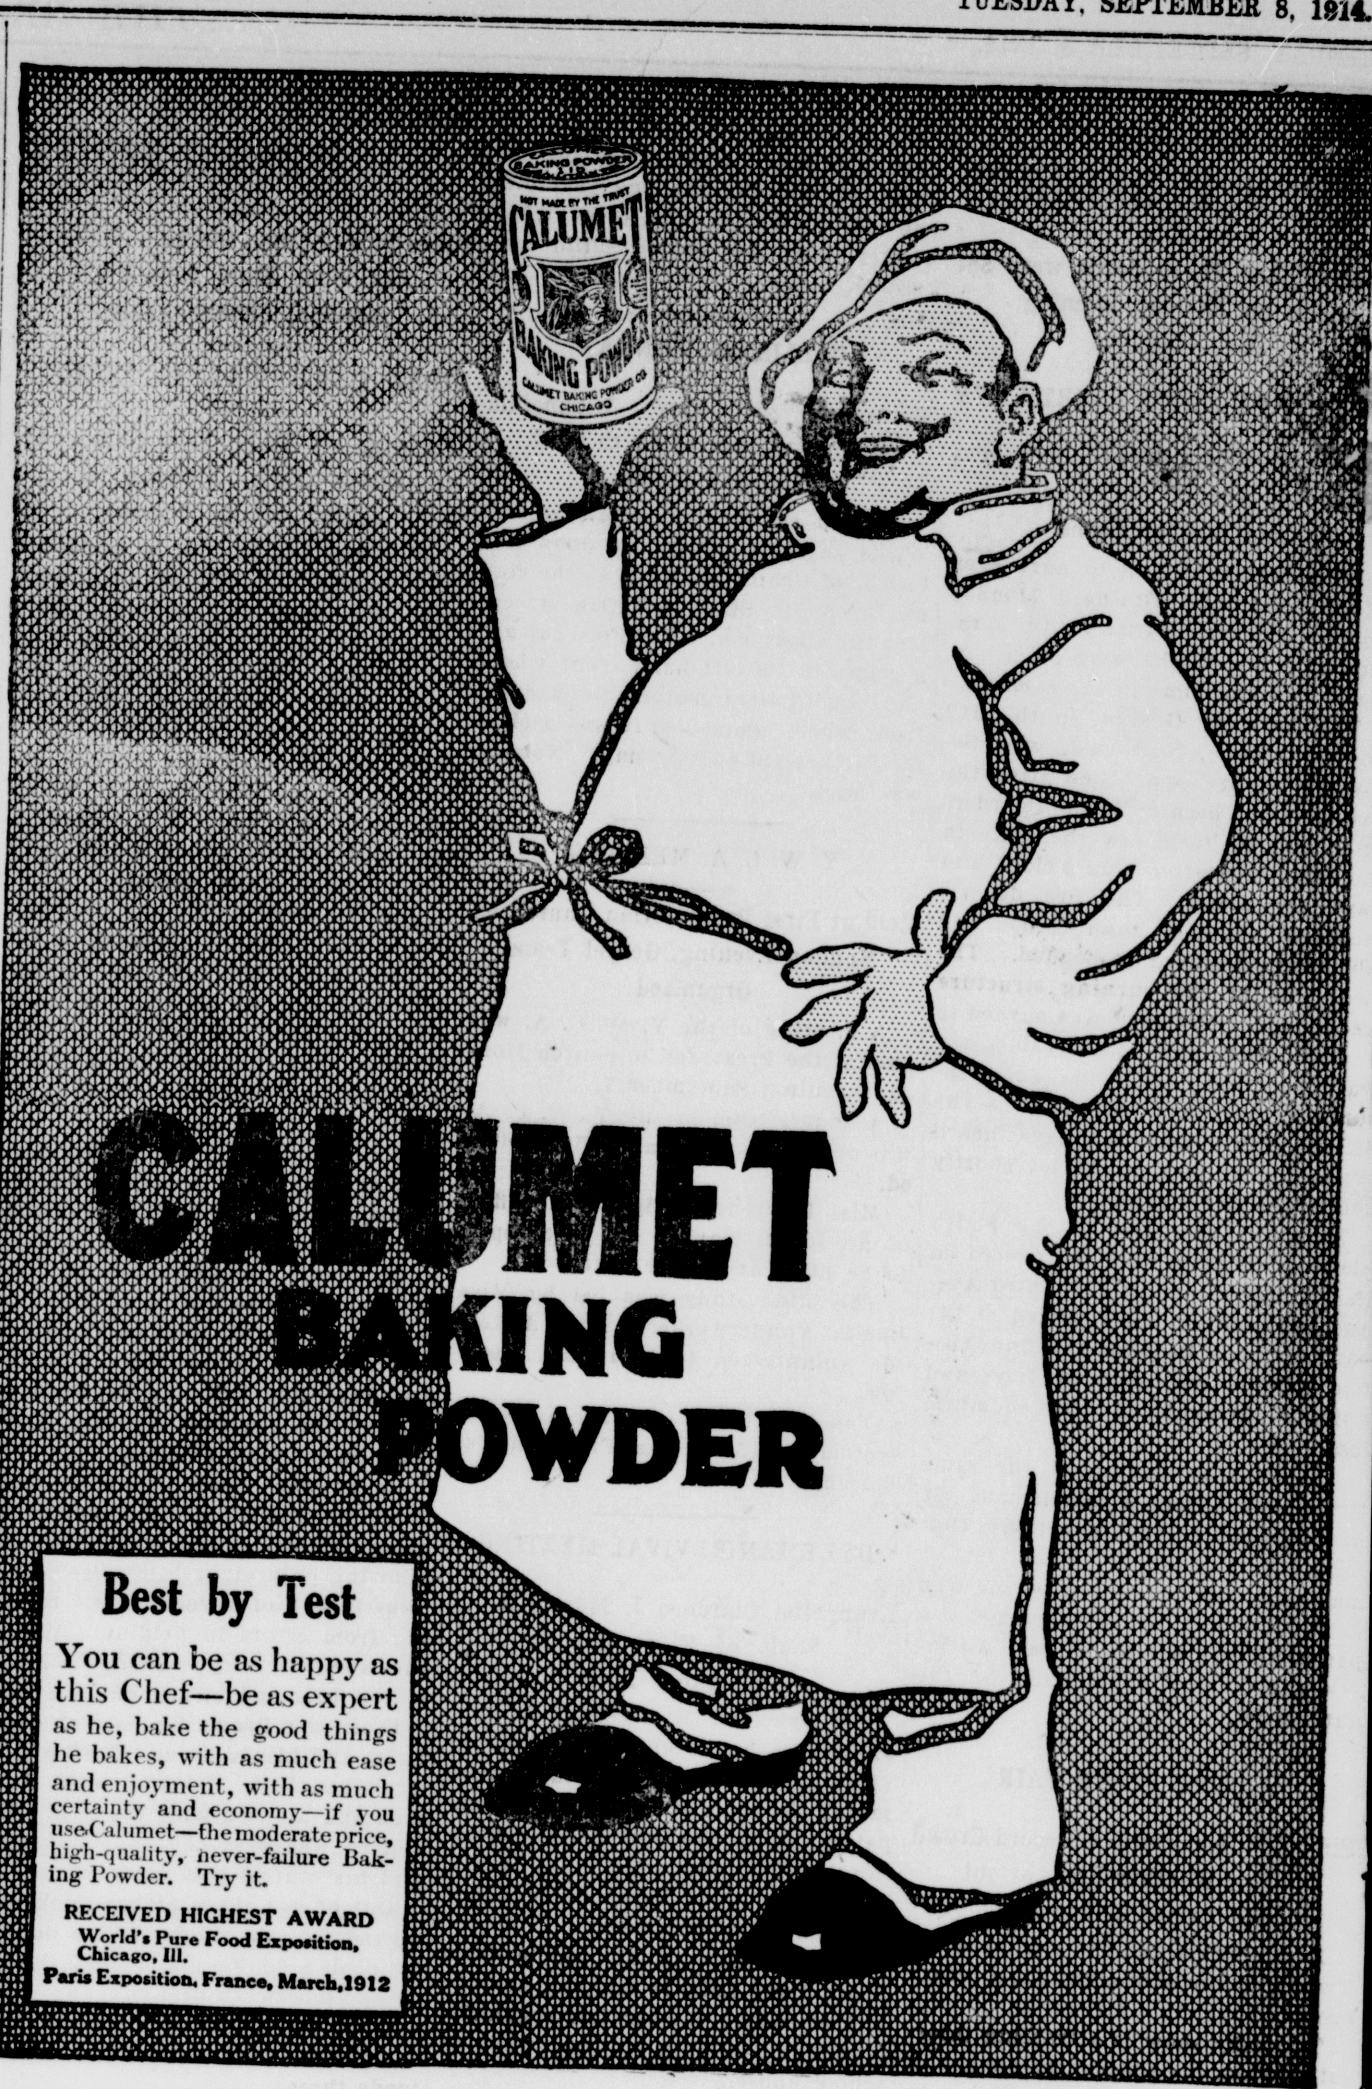

Stagnation in All Countries, Not Insuring This Security.

One of the most important questions of the day relates to the extent to which a government should interfere in the affairs of business. The successful man has always had to run the risk of attack. Safety from unreasonable interference by government or attack by others leads the ambitious man on to his greatest exertions. In some countries, as in parts of Asia, government tamper has made it dangerous for a man to acquire anything beyond his bare necessities. In such a society, nothing but poverty and business stagnation can exist.

Governmental intervention in the affairs of business should extend only over such things as are necessary for fair publicity and truthful statements. Under such a government, business security and initiative are encouraged, the country is progressive, aged, the country is progressive, and its future prosperity is well guarded. But as soon as legislation begins to deprive the producer of a square deal, or where business is "regulated" by people without the experience and necessary training, business security will be limited to its natural state of just and natural competition for the greatest good of the greatest number of people, and should never show favors in order to "catch votes" or to secure campaign contributions.

In addition to Certain-teed Roofing, we also manufacture a complete line of lower priced roofings, building papers, shingles, sheathing, carpet linings, etc., put up in standard-sized rolls, packages and weights. They are accepted as standard by leading architects and engineers. Your local dealer will be pleased to give you full information about our goods and will quote you reasonable prices. In the sixth inning the Speedwells secured four more runs making the score 7 to 0 in favor of the Speedwells. In the sixth Ironton started a batting rally securing two runs. In the seventh the Speedwells secured one and Ironton two and one in the eighth, making the score 8 to 5.

The batteries for Ironton were H. Paulson and Herriek; for the Speedwells Butke and Roderick. Butke secured five strike outs and Paulson three strikeouts. Four hits were secured off of Butke and five were gotten off of Paulson. I. Roderick on short got a ball square in the eye when a ball thrown by a player struck a rock and bounced up and hit him. He was taken out and looks none the worse for the affair.

YOU can save from a third to a half of the money you spend for toilet soap, yet keep your skin in the best possible condition.

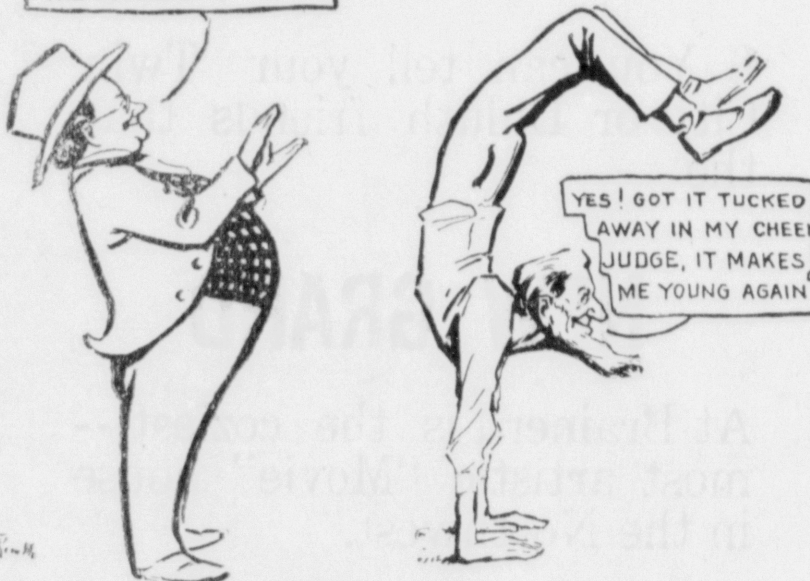

The answer is Ivory Soap.

Ivory Soap costs 5 cents for a six-ounce cake. So-called "toilet" soaps cost from 8 cents to 25 cents a cake, and weigh from three to five ounces.

Ivory Soap is as mild and pure as soap can be. It keeps the skin refreshingly clean. It rinses easily, leaving no gloss. It makes the bath and toilet a real pleasure.

Ivory is the pleasantest and safest soap for the bath and toilet even though it does sell for only 5 cents a cake.

SEE WHIZ! HAVE YOU FOUND
THE FOUNTAIN OF YOUTH?

THE OLD ACROBAT IS HAPPY OVER THE REAL TOBACCO CHEW

HE used to switch tobacco every few weeks. Then a friend gave him a small chew of "Right-Cut." Steady user now. Says it's the Real Tobacco Chew.

Quite the regular thing with "Right-Cut" users. A man is glad he found it—and just naturally passes the good word along.

Pure, sappy, full-bodied tobacco—seasoned and sweetened just enough.

Take a very small chew—less than one-quarter the size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away. Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is *The Real Tobacco Chew*. That's why it costs less in the end.

It's ready chew, cut fine and short so that you won't have to grind on it with your teeth. Grinding on ordinary tobacco makes you spit too much.

The taste of pure, rich tobacco does not need to be covered up with molasses and licorice. Notice how the spit brings out the rich tobacco taste in "Right-Cut."

One small chew takes the place of two big chews of the old kind.

(Continued from page 3)

Wilson opened with a single to right, but was forced at second when C. Booth hit to Benda. C. Booth then stole second and scored ahead of Cy Reiger who hit a home run over the left field wall. Tedisco and Nord struck out.

Brainerd took the lead by scoring three in the third. Bush was safe on Burrow's boot and so was Erickson. Both advanced on a passed ball. Gourd popped to Nord. Brown walked, filling the bases. Larson's sacrifice fly to deep center scored Bush and sent Erickson, to third. Brown stole second. Benda doubled to left, scoring Erickson and Brown. Cook tied to Dwight Booth.

Hibbing tied the count in the fourth. Brookins skied to Brown. C. Booth singled to right and took third when the ball went through Bush and scored on a passed ball. Hibbing took the lead by scoring three in the sixth. Burrows was safe on Larson's error. Brookins singled to center. C. Booth hit a homer to deep left center, scoring Burrows and Brookins ahead of him. Brainerd scored their last run in the sixth on Cook's double and Sheffield's single.

Hibbing scored one more in the seventh on D. Booth's scratch double on the left field foul line and singles by Red Carroll and Brookins. The score:

LABOR DAY IN BRAINERD

Men of Unions and Assembly Attend Church at St. Paul's Sunday Morning in a Body

Labor Day was quietly celebrated in Brainerd. On Sunday previous the ministers of many of the churches preached Labor Day sermons.

Members of the unions and trades and labor assembly of the city had been invited to attend special services at St. Paul's Episcopal church Sunday morning and they listened to an eloquent sermon by Rev. Caleb Denham.

On the evening of Labor Day the assembly gave a big dance at the Gardner auditorium. The music, floor and other arrangements were of the best and every one had a full measure of enjoyment.

For Sale

SPEEDWELLS BEAT IRONTON

Win by 8 to 5 Score Sunday Afternoon at Ironton in a

Fast Game

The Speedwells played Ironton Sunday, September 6 at Ironton and defeated them 8 to 5. The music started in the first inning with Molstad getting first on four balls. L. Roderick singled and got on first with Molstad on second. L. Dahl sacrificed and put Molstad on third and Roderick on second. Bud Roderick knocked out a two base hit, scoring two runs and got on third on an over-

Certain-teed ROOFING

The General says:—

The advantage of a guarantee on roofing lies in the fact that you can call upon the manufacturer to make good if the roofing falls down. But no guarantee should be accepted unless it is made by a concern of recognized responsibility.

Certain-teed ROOFING

Quality Cert-ified Durability Guar-anteed

is guaranteed five years for 1-ply, ten years for 2-ply and fifteen years for 3-ply, and our guarantee is backed by the biggest roofing mills in the world.

BUSINESS SECURITY.

Stagnation in All Countries, Not Insuring This Security.

One of the most important questions of the day relates to the extent to which a government should interfere in the affairs of business. The successful man has always had to run the risk of attack. Safety from unreasonable interference by government or attack by others leads the ambitious man on to his greatest exertions. In some countries, as in parts of Asia, government rapacity has made it dangerous for a man to acquire anything beyond his bare necessities. In such a society, nothing but poverty and business stagnation can exist. Governmental intervention in the affairs of business should extend only over such things as are necessary for fair publicity and truthful statements. Under such a government, business security is at its best. Individuality and initiative are encouraged; the country is progressive, and its future prosperity is well guarded. But as soon as legislation begins to deprive the producer of a square deal, or where business is "regulated" by people without the experience and necessary training, business security will be transformed into business depression. A government should be limited to its natural functions of a just and reasonable legislation for the greatest good of the greatest number of people, and should never show favors in order to "catch a vote" or to secure campaign contributions.

In addition to **Certain-teed** Roofing, we also manufacture a complete line of lower priced roofing, building papers, shingles, sheathing, carpet linings, etc., put up in standard-sized rolls, packages and weights. They are accepted as standard by leading architects and engineers. Your local dealer will be pleased to give you full information about our goods and will quote you reasonable prices. Be sure the goods are made and guaranteed by us.

throw. C. Russell singled scoring Bud.

In the sixth inning the Speedwells secured four more runs making the score 7 to 0 in favor of the Speedwells. In the sixth Ironton started a batting rally securing two runs. In the seventh the Speedwells secured one and Ironton two and one in the eighth, making the score 8 to 5.

The batteries for Ironton were H. Paulson and Herrick; for the Speedwells Butke and Roderick. Butke secured five strikeouts and Paulson three strikeouts. Four hits were secured off of Butke and five were gotten off of Paulson. I Roderick on short got a ball square in the eye when a ball thrown by a player struck a rock and bounced up and hit him. He was taken out and looks none the worse for the affair.

THOUGH YOU ESCAPE

WITH YOUR LIFE
If fire occurs at your place, you will not find it sweet if the flames leave you penniless. All your remaining days will be filled with regret that you hadn't taken out insurance when you could. Fire is just as likely to happen to you as to anybody else. Be wise and have us insure you today. Then fire will not spell ruin for you.
